

The most efficient & comprehensive software to organize your digital workflow!

Features

- Sort & group your images
- Ability to network between computers
- Slide show display tool
- Compare multiple images side-by-side
- Direct upload to your lab
- Batch ordering tool
- Proof Portfolio ordering tool

LP Digital Studio is our FREE ordering and workflow tool. It is the first step in using LabPrints. Used in conjunction with our add-on tools, you will fully experience the LabPrints workflow advantage.

With LP Digital Studio you are able to sort, edit and group your images for easy presentation to your clients. Images can also be opened in an external editor (i.e. Photoshop®.)

Plus, you will be able to preview and crop prints at their correct aspect ratio. Apply services, coating, and mounting to your order, and upload it directly to your lab!

LP Digital Studio is always FREE! You will also get a 30 day FREE trial of our add-on tools, LP Album Builder and LP Composite Designer.
