

# LP Projection Tool

Create beautiful presentations with LP Projection Tool. Show your customers how their finished, framed portrait will look. You'll be sure to upgrade orders and increase overall profits!

## FEATURES

- Ability to project images in actual size (show the difference between an 8x10 and a 30x40)
- Option to display images in virtual frames from leading manufacturers
- Easy ordering tool
- Ranking tool ('yes,' 'no' and 'maybe') to help your customers choose their images
- Enhanced slide show features allows you to set your slide shows to music and more
- Ability to hide tools and settings for clean presentation
- May be used as a stand alone tool and/or with other LabPrint software
- Able to process orders with a participating LabPrints lab or any lab that you choose
- Enhanced ranking and slide show tools carry over into LP Digital Studio
- Images can be set to Black & White or Sepia tone
- Retouching services on individual images can be ordered
- Accessible through LP Digital Studio

*LP Projection Tool is a key component of the LabPrints workflow advantage. All of our tools are designed to work seamlessly together. By purchasing this add-on, you will be able to create beautiful presentations for your clients, save time... and increase profits.*
